## What is the general process to register for the rally?

Before registering, please review the Terms & Conditions document. It will explain some important details related to costs and provided items.

When you're ready to register, please proceed to the [Event Details](#) page, and select "Buy Tickets". There are multiple options to purchase tickets, based upon the number of people who will be attending. If only one or two people are attending, select the basic ticket. You may use the "View more price options" button to see a list of selections where more people can be added. Each additional person beyond 2 people in an RV costs an additional \$50 per person.

Once you have selected the desired ticket, proceed to Checkout, where you'll fill in all pertinent information related to email, address, check in and check out dates, etc.

Feel free to contact [tickets@rally4pnwallies.com](mailto:tickets@rally4pnwallies.com) any time to ask for clarifications after reading this document as well as the Terms & Conditions document.

## We are arriving before July 24, 2023 and/or staying after July 28, 2023. Do we need to reserve at the resort?

Probably not. ***However, we will communicate with you directly via email after we review the registration if you've indicated early arrival or late departure.***

- When registering for the rally, you will indicate your arrival and departure days.
- You will also be asked to check a box if you are arriving before or after the rally days, or other specific information such as attendance at the Cool Everything "Some Other Brand" rally.

We (the rally committee) are working directly with the resort to schedule people's stays. You will only pay for the rally fees at the time of registration. If you are arriving more than 2 days prior, or staying more than 2 days after, we will notify the resort. In either case, we (the rally committee) will contact you via email to assure clear communication on how to complete the reservations. Note that if you are staying extra days, you will pay the resort for those nights upon arrival at the resort. Those stays may be asked to pay a deposit by the resort.
