

December 29, 2023

The Pacific Northwest Alliance Owners Rally (Pac NW Ally Rally) is intended as a non-profit activity managed through C2 RV Services LLC. The following policies are intended to provide all information related to the rally and its execution. Should you have a concern that is not addressed, please reach out to Lynn Catlin at Lynn@C2RVServices.com.

Privacy

Information gathered from participants will not be sold or used beyond the business needed to execute the rally. **Our participant list is not sold nor provided to vendors.** Various members of the planning committee may use the list to contact registrants for the sole purpose of rally planning.

Vendors do have access to the Facebook group Pac NW Alliance Owners (<https://www.facebook.com/groups/341133211423861/>) and as such are allowed to post advertisements of goods and services related to the rally.

We will not use online information to generate a publicly available participant list. Participants who wish to contact other participants are encouraged to collect information during the annual rally, or via our Facebook page Pac NW Alliance Owners (<https://www.facebook.com/groups/341133211423861/>).

On Site Vendors

It is expected that organizations supporting the rally will hope to market to the attendees or perspective attendees. Such marketing should optimally occur via our primary Facebook page, [Pac NW Alliance Owners](#), or at locations established at the rally. We will not share our registration list to any vendor for the purpose of marketing or contact outside of rally business. Please note certain vendors (individuals) may be part of the planning committee, but are expected to refrain from using privileged access for marketing.

Our full policy is available on our registration website www.rally4PNWallies.com, or by contacting C2 RV Services LLC at Lynn@C2RVServices.com.
