FROM MORRISON ROGUE WEBSITE:

Embark on an unforgettable adventure with our half-day morning whitewater rafting trip on the iconic Rogue River. Immerse yourself in the breathtaking scenery as you start your journey at Robertson Bridge boat landing, the gateway to an exhilarating experience. Traverse the renowned Hellgate Canyon, known for its stunning canyon walls and deep pools with thrilling rapids at the canyon entrance and exit, where the rush of whitewater will invigorate your senses.

Throughout the excursion, keep your eyes peeled for the majestic Bald Eagles soaring overhead and the diverse wildlife inhabiting the riverbanks. Witness the natural beauty of the Rogue River firsthand as you navigate through a series of smaller rapids, each adding an element of excitement to your voyage. Join this exhilarating journey with fellow explorers aboard a raft designed for up to eight passengers. Fitted with stern assist oar frames, expertly operated by your guide and complemented by your paddle efforts, navigate the exhilarating twists and turns of the Rogue River. As a bonus, take advantage of our inflatable single-man kayaks, which are available to share with other adventures, one per raft for those seeking an extra thrill and a closer connection to the water.

After your exhilarating morning on the river, indulge in a hearty hot lunch at Morrisons Lodge, which is included with your trip. Refuel your energy and relish in the camaraderie of fellow adventurers as you recount the highlights of your whitewater rafting experience.

Whether you're a seasoned rafter or a first-time adventurer, our morning whitewater rafting trip promises an unforgettable journey filled with excitement, natural beauty, and cherished memories. Join us and discover why the Rogue River is renowned among whitewater enthusiasts worldwide.

The Morning of your Trip:

1/2 Day AM and Full Day Trips: Please meet at 9 :00

AM at the Morrisons Rogue Wilderness Lodge - 8500 Galice Road in your rafting attire ready to raft. Have the group leader or family leader check in at the Front Desk Office. After checking you will be further instructed as to where and when to meet your guide who will personally fit each person in their personal floatation device. A shuttle van will take you on a 15 to 20 minute van or bus ride to the boat landing after which you will float for around 2 hours before reaching Morrisons Lodge. Lunch is included and will be provided at the lodge around 12 noon.

Additional Information

Participant age and ability: We are excited to take down participants from ages 6-106. Children 5 and under unfortunately are not allowed. We ask that all participants are able to maneuver up and down soft rocky slopes, as well as be able to sit on a rubber raft with no back support for at least 3 hours at a time. **Guides:** Our guides have a deep appreciation for the river and its surroundings. MRWA guides are accomplished in outdoor skills and extensively trained in First Aid and CPR. They will be more than happy to help you if you have any questions about the river. Guides will be rowing the rafts on the trip. **Gratuities:** We are often asked if tipping is appropriate. Tips are certainly appreciated by our guides. How much you tip should depend on your satisfaction with the trip, your feelings about tipping, and your financial means. A regular tip is 10% to 20% of your trip cost, just like a server. **(Please bring cash or a check to tip, tips cannot be added to your reservation or put on a credit card).**

Meals and Alcohol: Morrisons Lodge provides lunch for the full day and PM trips. **Beverages such as soda, iced tea and water are available with every meal.**

Communications: **Cell phones** do not work on the river. Phones work in the MRWA parking lot, after that leave them in your car. If you choose to bring them as a camera, please note that it can get wet and be ruined. We strongly suggest purchasing a proper waterproof case or bag to protect it. MRWAL is not responsible for lost or broken personal items or phones.

Clothing and Comfort

Appropriate Clothing: Consists of bathing suits, board shorts, and non-cotton t-shirts. A light jacket is also a good idea. There will be a small dry bag on each boat for you to put any layers in. **Cotton** should **NOT** be worn during cool or wet weather since wet cotton lowers body temperature. **Footwear:** Should consist of a water shoe or a sandal that is **strapped on your foot and will not fall off in a current.** Tennis shoes can also be worn if you don't mind them getting wet. **Please no flip flops or Crocs.**

Equipment: MRWA provides small waterproof bags for your belongings. We recommend opting in favor of a disposable waterproof camera which are available at the MRWA store. If you choose to bring your cell phone for photos, we recommend bringing a waterproof and shockproof case. You will NOT need a towel.
