

Planning

guide prior to the rally

Whether this is your first rally or you're an alumnus, we are here to make this a great event for everyone. Here is a list of ideas to support your comfort and participation across the 4 days.

- **RALLY SERVICES:** If you haven't done so, be sure to pre-schedule your services and upgrades with the amazing vendor team soon. With the largest attendance yet, appointments are filling up. See the Vendor & Sponsor page on the website for our Service Directory.
- **BYOC (Bring your own chairs):** We highly recommend bringing your favorite camping chair to larger events at the pavilion. Seating can fill up, and many rally goers enjoy the comfort of their own chairs in the grassy areas around the pavilion.
- **BYOB (Bring your own beverage):** Enjoy your favorite beverage during the nightly campfire chats with your fellow ALLIES.
- **THIRSTY THURSDAY BOURBON TASTING:** Bring your favorite bourbon to share.
- **RAFFLE TICKETS** will be available for purchase during the rally via **CASH only**. Seven Feathers resort provides an ATM in the front for your convenience. We will be offering raffles nightly along with a silent raffle ending on Friday. With over \$20,000 in prizes and auction items, there is a range of opportunities to win special and fun new items from many of our generous sponsors.
 - \$5 for 5 tickets
 - \$10 for 12 tickets
 - \$15 for 18 tickets
 - \$20 for 25 tickets
- **POTLUCK:** Thursday's potluck theme will be ITALIAN. Bring your favorite dish from one of the categories below to share (Size: feeds 6-8 people max). *We recommend disposable serving container and utensils for ease in clean up.*
 - Main, side dish, salad, dessert
- **DONATIONS?** Please bring your donation items to the Registration Table upon arrival.
- **PET OWNERS:** Bring items for your pet to show off in the pet parade. Remember, pets must be always on a leash.
- **CRAFTERS:** The club house will be available to any crafters, card & game players throughout the Rally. There is a group craft scheduled, those interested are recommended bringing a glue gun and scissors if available.
- **BUG REPELLENT:** Always be ready for any pesky critters who may want to join the rally.
- **HELP, WE NEED TABLES:** Those able to bring a table to be used at the rally, Thank you! Be sure to label with your name and drop off at **site 83**.

*On behalf of PacNW Rally Committee,
we look forward to sharing a great event!*
